Re: Trans-Pecos Pipeline, LLC  
Presidio Crossing Project  
2019 Annual Peak Day Capacity Report

Dear Secretary Bose,

Pursuant to Section 153.23 of the Federal Energy Regulatory Commission's ("Commission" or "FERC") regulations, Trans-Pecos Pipeline, LLC's ("TPP") Presidio Crossing Project<sup>1</sup> as authorized under FERC Docket No. CP15-500-000, submits for filing its 2019 Annual Peak Day Capacity Report showing the estimated peak day capacity and the actual peak day usage of its import/export facilities. TPP is submitting this report after March 1, 2020 due to an administrative oversight and respectfully requests any waivers or approvals necessary for the Commission to accept this report.

This filing is being submitted electronically to the Commission's eFiling website pursuant to the Commission's Order No. 703, Filing via the Internet Guidelines issued on November 15, 2007 in FERC Docket No. RM07-16-000.

Should you have any questions regarding this filing, please contact the undersigned at (469) 646-1059.

Respectfully Submitted,

TRANS-PECOS PIPELINE, LLC
